Abstrak

**<b>ABSTRAK</b><br>**

Apotek merupakan sarana pelayanan kefarmasian tempat apoteker melakukan praktik kefarmasian. Pelaksanaan Praktik Kerja Profesi Apoteker di Apotek Kimia Farma No. 48 bertujuan untuk mendapatkan pengetahuan dan pemahaman tentang standar pelayanan kefarmasian di apotek serta mendapatkan gambaran secara nyata terhadap tugas dan tanggung jawab yang dilakukan oleh Apoteker di apotek. Melalui Praktik Kerja Profesi ini, mahasiswa dapat menerapkan ilmu yang telah dipelajari dengan melakukan kegiatan pelayanan kefarmasian seperti penyiapan obat, peracikan, pemberian informasi obat, dan konseling. Selain itu melalui tugas khusus, mahasiswa dapat memahami lebih dalam mengenai pengkajian resep untuk penyakit osteoporosis.
