Abstrak

ABSTRAK

Penelitian ini akan menganalisis tentang defeatism di masa Perang Dunia II melalui Film Seri "Unsere Mutter, unsere Vater" yang disiarkan di stasiun televisi Jerman, ZDF, pada tahun 2013 silam.

Defeatism sendiri memiliki arti pemikiran orang-orang yang secara eksesif siap menerima kegagalan.

Defeatism dianggap sebagai pelanggaran hukum serius di masa Perang Dunia II dengan ancaman hukuman mati. Film ini menunjukkan aksi-aksi yang dianggap sebagai defeatism, yakni Komentar Def tist dan disersi.

Dalam penelitian ini juga akan dianalisis defeatism sebagai constructed crime.

ABSTRACT

This research would analyse defeatism during the second World War through "Unsere Mutter, unsere Vater" serial movie broadcasted by German Television, ZDF, in 2013. Defeatism itself means a person who expects or is excessively ready to accept failure. Defeatism were considered as a heavy law breach that worth death penalty. This serial movie depicted defeatist acts, such as defeatist comments and desertion. In this research, defeatism as constructed crime would also be analysed.
