Abstrak

Lottie just wants to get married - to the right man, of course. She's sure her boyfriend is about to propose. So when the proposal doesn't happen and she meets her first love from long ago, Lottie decides on drastic action. They'll get married right now, with no engagement, no fuss and, above all, no sex until after they're safely married. It's the perfect plan! On the other hand ... Fliss is in the middle of a nightmare divorce and just wants her little sister to avoid the mistakes she made. She decides Lottie's marriage has to be stopped at all costs and chases the (un)happy couple to their romantic honeymoon venue on a Greek island. Will Lottie have a wedding night to remember ... or one to forget?
