Perfectly named style maven and City Sage blogger Anne Sage knows a wise truth: decorating our living spaces for our goals is the first step in making them happen. In Sage Living, she opens the door to covetable dwellings designed to boost the dreams of their occupants, from the sunny, open-air kitchen of a holistic nutritionist to the eclectic living room of a world traveller ready to put down roots. With page after page of stunning interiors, engagingly written home stories, and hundreds of design tips for every room, Sage Living goes beneath the stylized surface to help readers decorate for the lives they truly want.
