

The art of living

Miebach, Barbel, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20461534&lokasi=lokal>

Abstrak

Over 200 color images reveal a wealth of unique, personal approaches to the challenge of incorporating creative space into a home. Of interest to anyone who has wondered what the living rooms and studios of famous artists might contain, what objects inspire them, and what inventive solutions they devise to create expressive personal spaces in a domestic atmosphere, The Art of Living provides a colorful, varied look at a group of diverse artistic individuals who live and work in homes from New York and the Hamptons to Los Angeles and the Mojave Desert
