Abstrak

Summary:

To Cassie's horror, her overly-excited husband Jonathan has sent a grisly blow-by-blow account of her labour - plus attached photo - to everyone in her email contacts list, including her clients! Amid mood swings, post-natal hypochondria and the side effects of the fated email, who saunters into her world again but her sexy, swaggering ex-boyfriend Malkie - the one who got away. Is she strong enough to face everything her new life has to throw at her?
