

Deception point

Brown, Dan, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20461925&lokasi=lokal>

Abstrak

Summary:

A rare object has been found deep in the ice at the Arctic Circle. And Rachel Sexton is called to verify this game-changing discovery. But evidence of tampering at the site changes everything. Fleeing for her life, Rachel's only hope of survival is to find answers. But the truth is the most shocking deception of all
