

## National Museum of Korea : digital museum 2.0

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20462496&lokasi=lokal>

---

### Abstrak

Includes images of objects held in the museum's collections, divided into galleries. Besides images, users can access videos by museum curators introducing the galleries, textual background and interpretive information about the objects, the music chosen as background for each gallery, a chronological table, and information about the museum. Users can also search for objects by period, material, or keyword.
