Summary:

CLASSIC FICTION (PRE C 1945). Dissolute, disenchanted Dmitri Olenin decides to join the Army as a cadet and is despatched to the Caucasus. There, he is transformed by seeing how the indigenous people live in harmony with nature, how their lives have more meaning than those of the superficial social elite in Moscow, and he finds a new sense of self and purpose. But nothing is ever quite that simple. The Cossacks is a short novel by Leo Tolstoy, published in 1863 in the popular literary magazine The Russian Messenger. It was originally called Young Manhood
