

Routledge international handbook of gender and environment

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20465042&lokasi=lokal>

Abstrak

The Routledge Handbook of Gender and Environment gathers together state-of-the-art theoretical reflections and empirical research from leading researchers and practitioners working in this transdisciplinary and transnational academic field. Over the course of the book, these contributors provide critical analyses of the gender dimensions of a wide range of timely and challenging topics, from sustainable development and climate change politics, to queer ecology and interspecies ethics in the so-called Anthropocene.
