

Chinese correspondence in dutch east indies, 1865-1949 / Tjong Han Siem

Han, Siem Tjong, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20469772&lokasi=lokal>

Abstrak

This articles is an attempt to describe some aspects of the social history of the Chinese minority in the Dutch East Indies using items of postal history as a guide. It is a very personal view, seen through the eyes of a pholatelist. Using a postal hitory collection, aspects of political history can be illustrated and/ or documented. This articles is certainly not be read as solid, documented scientific exercise. It should be read in the spirit of educational entertainment.
