Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20470568&lokasi=lokal>

Abstrak

Volume XXIX/1 of History of Universities contains the usual mix of chapters and book reviews. The series is a periodical devoted to the study of every aspect of university history development, structure, teaching, and research from the Middle Ages to the modern period, as well as to the history of scholarship more generally. The coverage of this volume ranges widely geographically, chronically, and in subject-matter.
