ABSTRAK

Studi ini membahas Konservasi Pasif dan Konservasi Aktif di Bayt Al-Qur'an dan Museum Istiqlal, khususnya koleksi manuskrip di Bayt Al-Qur'an. Penelitian ini menggunakan pendekatan kualitatif dengan metode studi kasus. Data diperoleh dari wawancara terstruktur dan observasi serta analisis dokumen. Hasil penelitian menunjukkan bahwa dalam pelaksanaan konservasi pasif dan konservasi aktif koleksi manuskrip di Bayt Al-Qur'an masih banyak kendala yang ditemukan sehingga kegiatan tersebut belum dilakukan secara optimal. Bayt Al-Qur'an perlu membuat kebijakan pelestarian koleksi serta melengkapi fasilitas yang dibutuhkan untuk kegiatan konservasi pasif maupun aktif.

ABSTRACT

This study discusses the Passive Conservation and Active Conservation in Bayt Al-Qur'an and Museum Istiqlal, especially the manuscripts collection in Bayt Al-Qur'an. This research uses qualitative approach with case study method. Data were obtained from structured interviews and observations and also document analysis. The results show that in the implementation of passive conservation and active conservation of manuscripts collection in Bayt Al-Qur'an, there are still having many obstacles so that the activity has not been done optimally. Bayt Al-Qur'an needs to establish a collection conservation policy as well and complementing the facilities needed for both passive and active conservation activities.
