Abstrak

Praktek kerja profesi di Direktorat Jenderal Kefarmasian dan Alat Kesehatan Kementerian Kesehatan Republik Indonesia dilakukan selama dua minggu pada bulan Oktober 2017 bertujuan untuk memahami peranan, tugas, dan tanggung jawab apoteker di Direktorat Jenderal Kefarmasian dan Alat Kesehatan, khususnya di Direktorat Tata Kelola Obat Publik dan Perbekalan Kesehatan. Praktik kerja profesi juga bertujuan untuk menambah wawasan, pengetahuan, ketrampilan serta pengalaman praktis dari calon apoteker sehingga memiliki gambaran nyata mengenai permasalahan kefarmasian di Direktorat Jenderal Kefarmasian dan Alat Kesehatan. Tugas khusus yang dikerjakan selama praktik kerja profesi adalah "Pendistribusian, Pemusnahan dan Pelaporan Buffer Stock dan Perbekalan Kesehatan di Instalasi Farmasi Pusat" yang bertujuan agar calon apoteker memahami peran, tugas, dan tanggung jawab apoteker dalam melakukan pekerjaan kefarmasian di Instalasi Farmasi Pusat, terutama proses distribusi dan pelaporan.

Internship at The Directorate General of Pharmaceutical and Medicine Devices Ministry of Health Republic of Indonesia Period October 2017 aims to understand the role, duties, and responsibilities of pharmacists in the Directorate General of Pharmaceutical and Medicine Devices, especially in the Directorate Public Service Governance and Medical Supplies, as well as have the knowledge about basic tasks and functions of Directorate General of Pharmaceutical and Medicine Devices. In addition, the pharmacist candidate can also have the insights, knowledge, and real experience as well as have a real picture about pharmaceutical issues in the Directorate General of Pharmaceutical and Medicine Devices Ministry of Health Republic of Indonesia. Internship at The Directorate General of Pharmaceutical and Medicine Devices was conducted for two weeks with special assignment Distribution, Destruction and Reporting of Buffer Stock and Medical Supplies at Pharmaceutical Installation Centers aimed at getting pharmacists to understand the roles, duties and responsibilities of pharmacists in undertaking pharmaceutical work at the Central Pharmaceutical Installation, in particular the process of distribution and reporting.
