

Courts without borders: law, politics, and U.S. extraterritoriality

Putnam, Tonya L. (Tonya Lee), author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20480461&lokasi=lokal>

Abstrak

"Courts Without Borders is the first book to examine the politics of judicial extraterritoriality, with a focus on the world's chief practitioner: the United States. For much of the post-World War II era, the United States has been a frequent yet selective regulator of activities outside its territory, and US federal courts are often on the front line in deciding the extraterritorial reach of US law. At stake in these jurisdiction battles is the ability to bring the regulatory power of the United States to bear on transnational disputes in ways that other states frequently dislike both in principle and in practice. This volume proposes a general theory of domestic court behavior to explain variations in extraterritorial enforcement of US law, emphasizing how the strategic behavior of private actors is important to mobilizing courts and in directing their activities"--

"Courts Without Borders is the first book to examine the politics of judicial extraterritoriality-the practice of domestic courts unilaterally applying domestic laws to conduct and persons outside a state's borders-and its consequences with a focus on the world's chief practitioner: the United States. For much of the post-World War II era, the United States has been a frequent yet selective regulator of activities outside its territory. U.S. federal courts are often on the front line in battles over the extraterritorial reach of U.S. law, enabling it in some instances and restricting it in others"--
