Abstract:

Sometimes it's easy to forget the things that make us smile. Sometimes its tempting to feel that the world is falling apart. But awesome things are all around us: Popping Bubble Wrap; The smell of rain on a hot sidewalk; Hitting a bunch of green lights in a row; Waking up and realizing it's Saturday; Fixing electronics by smacking them; Picking the perfect nacho off someone else's plate. The Book of Awesome reminds us that the best things in life are free. Based on the award-winning blog 1000awesomethings.com, it's a high five for humanity and a big celebration of life's little moments. With wise, witty observations, The Book of Awesome is filled with smile-inducing musings that make you feel like a kid looking at the world for the first time
