

A student's guide to DSM-5

Beccaria, Gavin, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20480662&lokasi=lokal>

Abstrak

In 2013, the 5th edition of Diagnostic and Statistical Manual of Mental Disorders (DSM-5) was published by American Psychiatric Association (APA). A Students Guide to DSM-5 is an invaluable summary resource for University psychology students to help understand major implications of DSM-5 within an Australian context.--Back cover.
