

Catatan harian Adam dan Hawa dan kisah-kisah lain

Twain, Mark, 1835-1910, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20480756&lokasi=lokal>

Abstrak

Abstract:

In this short 1904 work, from late in his career, Mark Twain imagines how Adam was introduced to Eve. This new creature with the long hair is a good deal in the way. It is always hanging around and following me about. I don't like this; I am not used to company ..." Twain also published a companion volume, Eve's Diary.
