Creative strategy in advertising

Drewniany, Bonnie L., author

Deskripsi Lengkap: https://lib.ui.ac.id/detail?id=20481646&lokasi=lokal

Abstrak

This book provides everything students need to be successful as advertising professionals in today's fastchanging media environment. Focusing on the idea that good advertising always starts with an understanding of people and an awareness of their needs, the text moves through the creative process step by step.
