

Clarity of responsibility, accountability, and corruption

Schwindt-Bayer, Leslie A. author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20481837&lokasi=lokal>

Abstrak

Summary:

The book argues that clarity of responsibility increases accountability and decreases corruption levels in democracies. The authors provide a number of empirical tests of this argument using an original cross-national time-series dataset, mass survey data, and a survey experimen
