Abstrak

ABSTRACT

Tujuan dari penelitian ini adalah untuk menjelaskan organizational attractiveness pada PT. Unilever Indonesia, Tbk yang dipengaruhi oleh corporate recruitment website quality dan informational social influences secara simultan. Penelitian ini menggunakan tiga variabel yang berasal dari penelitian terdahulu yaitu, variabel corporate recruitment website quality dari Lin, variabel informational social influences dari Van Hoyer, dan variabel organizational attractiveness dari Gomes dan Neves. Penelitian ini menggunakan pendekatan kuantitatif dengan pengumpulan data menggunakan metode survei. Instrumen pengumpulan data yang digunakan dalam penelitian ini adalah kuesioner online berupa Google Form. Teknik pengumpulan data dalam penelitian ini menggunakan purposive sampling. Jumlah responden yang ada di dalam penelitian ini berjumlah 150 orang yang merupakan generasi Y atau generasi millennials (lahir antara tahun 1980-tahun 2000) yang berdomisili di DKI Jakarta dan pernah melihat website rekrutmen PT. Unilever Indonesia, Tbk. Hasil dari penelitian ini menunjukkan bahwa corporate recruitment website quality dan informational social influences mempengaruhi organizational attractiveness secara signifikan.
