

Asia's new regionalism

Frost, Ellen L., author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20482681&lokasi=lokal>

Abstrak

Summary:

As the political drive to establish closer ties among Asian governments continues to gain momentum, there has been much debate about the realities of Asian regionalism. Does the community-building activity in fact signal the birth of ""Asia Major""? This book offers analysis of the political, economic, and strategic issues at stake.
