

Habermas and religion

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20482955&lokasi=lokal>

Abstrak

This book presents a series of original and sustained engagements with Habermas's writing on religion in the public sphere, featuring new work and critical reflections from leading philosophers, social and political theorists, and anthropologists. Contributors to the volume respond both to Habermas's ambitious and well-developed philosophical project and to his most recent work on religion. The book closes with an extended response from Habermas - itself a major statement from one of today's most important thinkers.
