The Girl is back. In this adrenaline-charged, up-to-the-moment political thriller, Stieg Larsson's Lisbeth Salander and Mikael Blomkvist, the troubled genius hacker and crusading journalist thrilled the world in *The Girl with the Dragon Tattoo*, *The Girl Who Played with Fire*, and *The Girl Who Kicked the Hornet's Nest*, are back. Late one night, Blomkvist receives a phone call from a source claiming to have information vital to the United States. The source has been in contact with a young female superhacker--a hacker resembling someone Blomkvist knows all too well. The implications are staggering. Blomkvist, in desperate need of a scoop for *Millennium*, turns to Salander for help. She, as usual, has her own agenda. The secret they are both chasing is at the center of a tangled web of spies, cybercriminals, and governments around the world, and someone is prepared to kill to protect it.
