

Occupational therapies without borders: volumes 2: towards an ecology of occupation-based practices

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20497513&lokasi=lokal>

Abstrak

Writers from around the world discuss a plurality of occupation-based approaches that explicitly acknowledge the full potential of the art and science of occupational therapy. The profession is presented as a political possibilities-based practice, concerned with what matters most to people in real life contexts, generating practice-based evidence to complement evidence-based practice.
