

Reconstructing the Gospel: finding freedom from slaveholder religion

Wilson-Hartgrove, Jonathan, 1980-, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20501847&lokasi=lokal>

Abstrak

Just as Reconstruction after the Civil War worked to repair a desperately broken society, our Christianity requires a spiritual reconstruction that undoes the injustices of the past. Jonathan Wilson-Hartgrove traces his journey from the religion of the slaveholder to the Christianity of Christ, showing that when the gospel is reconstructed, freedom rings both for individuals and for society as a whole.
