ABSTRAK

Seorang apoteker memegang peranan penting di fasilitas pelayanan farmasi. Apoteker harus memenuhi standar kompetensi sebagai persyaratan untuk memasuki dunia kerja dan menjalani praktik profesi. Standar kompetensi apoteker Indonesia terdiri dari sepuluh (10) standar kompetensi sebagai kemampuan yang diharapkan oleh apoteker saat lulus dan masuk ke tempat praktik kerja profesi. Sebagai bekal dan pengalaman calon apoteker untuk dapat memahami peran apoteker dan meningkatkan kompetensi, maka dilaksanakan Praktik kerja Profesi Apoteker di PT. Guardian Pharmatama dan Apotek Atrika selama periode bulan Februari - April 2020. Selama PKPA, calon apoteker diharapkan dapat memahami peran, tugas dan tanggung jawab seorang apoteker serta memperluas wawasan, pemahaman dan pengalaman untuk melakukan pekerjaan kefarmasian di tempat praktik kerja profesi.

ABSTRACT

A pharmacist has an important role in the pharmaceutical service facilities. Pharmacists must fulfill competency standards as requirements for get into working world and undergoing professional practice. Indonesian pharmacist competency standards consist of ten (10) competency standards as abilities expected by pharmacists when graduated and starting professional work practices. As a provision and experience for pharmacists to be able to understand the role of pharmacists and improve competence, therefore the Internship at PT. Guardian Pharmatama and Apotek Atrika was held on February - April 2020. During internship, pharmacists are expected to be able to understand the roles, duties and responsibilities of a pharmacist as well as broaden their horizons, understanding and experiences to carry out pharmaceutical work in professional work practices.
