

A Practical manual of public health dentistry

Marya, CM, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20508271&lokasi=lokal>

Abstrak

All chapters in this second edition have been revised and more clinical pictures have been added for ease of understanding. A detailed step-by step approach to the history taking, clinical diagnosis, treatment planning and prevention of dental diseases makes this a practical quick reference guide for undergraduate and postgraduate students.
