ABSTRAK

Tesis ini merupakan case review mengenai kasus hukum Minnesota Mining and Manufacturing Company v. LePages Incorporated, Et Al (3M v. Lepage`s). Pada tahun 2014, LePage`s mengajukan petisi ke pengadilan banding Amerika Serikat terkait kecurigaan praktik monopoli yang dijalankan oleh 3M dengan bantuan program bundle rebate yang dilakukan. Diskusi dalam case review ini membahas mengenai tuduhan monopoli terhadap 3M dan keputusan pengadilan melalui sudut pandang hukum dan ekonomi.

ABSTRACT

This thesis is a case review of the Minnesota Mining and Manufacturing Company v. LePage`s Incorporated, Et Al (3M v. Lepage`s) legal case. In 2004, LePage`s filed a petition to the United States Court of Appeals of a suspected transparent-tape market monopolization maintained by 3M through a bundle rebate program. This case review discussions revolved around the 3M monopoly allegations and the court`s decisions through the law and economics perspective.
