Abstrak

The Chinese people have deep feelings of patriotism. Patriotic (English version) combed the role of the Chinese nations patriotism in promoting modern Chinese history, and further pointed out that in contemporary China, patriotism and socialism are closely linked. To love the motherland is to love socialist China, we must work hard to maintain national unity and national unity, and we must work hard to build a socialist harmonious society and realize the great rejuvenation of the Chinese nation. In this sense, patriotism is closely combined with prosperity.
