Abstrak

Pemilu Presiden 2019 memunculkan konflik antar pendukung pasangan calon presiden dan wakil presiden nomor urut 01 dan 02. Kontestasi politik tersebut menimbulkan reaksi masyarakat, sehingga memunculkan pasangan calon presiden fiktif dan wakil presiden fiktif, Nurhadi Aldo. Akun fiktif Nurhadi Aldo menggunakan media sosial sebagai platform kampanye, mengunggah program-program fiktif yang seakan-akan mereka merupakan pasangan calon presiden dan wakil presiden nyata. Nurhadi Aldo menggunakan satire dalam program fiktif yang mereka buat sebagai bentuk kritik dan sekaligus humor terhadap kondisi Indonesia. Konten Nurhadi Aldo akan dikaji memanfaatkan pemikiran sosiologi humor oleh beberapa sosiolog di bidang sosiologi humor, peacemaking criminology oleh Fuller, kontestasi politik oleh Daxecker dan kriminologi visual oleh pemikiran beberapa kriminolog di bidang kriminologi visual. Disimpulkan dengan, Pasangan Calon fiktif Nurhadi Aldo merupakan reaksi masyarakat terhadap konflik yang terjadi, membentuk pasangan calon baru yang digunakan sebagai kritik dan humor terhadap kondisi Indonesia menjelang Pemilu Presiden 2019.

.....The 2019 Presidential Election led to conflicts between two of the candidate's supporters. Indonesian society reacted towards the political contestation with a fictional presidential candidate, Nurhadi Aldo. Nurhadi Aldo operated using social media as their campaign platform, creating fictional presidential programs as if they are the real deal. This paper utilizes the sociology of jokes, peacemaking criminology, and visual criminology to analyze Nurhadi Aldo. Nurhadi Aldo used satire within their fictional programs to criticize and humor towards Indonesia's problems. Nurhadi Aldo's content will be studied using the sociology of humor by several sociologists in humor, Fuller's peacemaking criminology concept, Daxecker's political contestation, and visual criminology by the thoughts of several criminologists in the field of visual criminology. It can be concluded that Nurhadi Aldo's fictional Candidate Pair is a form of public reaction towards the election conflicts, forming a new candidate pair that is used as criticism and humor about Indonesia's conditions ahead of the 2019 Presidential Election.
