Abstrak

Etnis Tionghoa di Indonesia masih menjalankan tradisi dan budaya Cina yang telah dilakukan secara turun temurun sepanjang tahunnya, salah satunya adalah tradisi sembahyang arwah leluhur yang dilaksanakan pada Perayaan Zhong Yuan setiap bulan tujuh penanggalan Imlek. Namun, pandemi Covid-19 yang ditetapkan sebagai pandemi global oleh WHO, mengganggu tatanan tradisi dan budaya etnis Tionghoa yang salah satunya merupakan tradisi upacara Sembahyang Chao Du dan Sembahyang Muja di Kelenteng Tek Hay Kiong Tegal. Penelitian ini dilakukan dengan metode penelitian kualitatif serta menggunakan pendekatan komparatif. Teknik pengambilan data menggunakan triangulasi data. Hasil penelitian ini menunjukkan bahwa pandemi Covid-19 sangat mempengaruhi upacara Sembahyang Chao Du dan Sembahyang Muja di Kelenteng Tek Hay Kiong Tegal. Selain itu, ditemukan pula beberapa perubahan dalam upacara Sembahyang Chao Du dan Sembahyang Muja di Kelenteng Tek Hay Kiong Tegal seiring dengan kebijakan yang dicanangkan oleh Pemerintah Indonesia terkait pencegahan penyebaran pandemi Covid-19 di Tegal.

.....Chinese ethnic in Indonesia still carry out Chinese traditions and culture that have been passed down from generation to generation throughout the year, one of which is the ancestral prayer tradition which is held at the Zhong Yuan Celebration every seven months of the Lunar New Year. However, the Covid-19 pandemic, which has been established as a global pandemic by WHO, has disrupted the order of ethnic Chinese traditions and culture, one of which is the tradition of the Chao Du Prayer and Muja Prayer ceremonies at the Tek Hay Kiong Temple in Tegal. This research was conducted using qualitative research methods and using a comparative approach. Data collection techniques using triangulation technic. The results of this study indicate that the Covid-19 pandemic greatly affected the Chao Du Prayer and Muja Prayer ceremonies at the Tek Hay Kiong Temple in Tegal. In addition, there were also several changes in the Chao Du Prayer and Muja Prayer ceremonies at the Tek Hay Kiong Temple in Tegal in line with the policies launched by the Indonesian Government regarding the prevention of the spread of the Covid-19 pandemic in Tegal.
