

Integrating gender in agricultural development: learnings from south pacific contexts

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20527939&lokasi=lokal>

Abstrak

This book is grounded in the ideology that an alignment between the conceptual and practical understandings of gender equality is a critical component of sustainable development. It draws on six rural case studies to examine the various ways in which gender has been integrated in agricultural research for development projects.
