### Abstrak

Apoteker berperan penting dalam pekerjaan kefarmasian. Pekerjaan kefarmasian adalah pembuatan termasuk pengendalian mutu sediaan farmasi, pengamanan, pengadaan, penyimpanan dan pendistribusian atau penyaluran obat, pengelolaan obat, pelayanan obat atas resep dokter, pelayanan informasi obat, serta pengembangan obat, bahan obat, dan obat tradisional sesuai dengan standar kefarmasian. Melalui praktik kerja profesi apoteker, calon apoteker dapat mengonfirmasi kesesuaian antara ilmu yang telah didapatkan dan praktik di lapangan sesuai dengan standar yang berlaku dan meningkatkan kompetensi sebagai apoteker. Praktik kerja profesi apoteker dilaksanakan di PT Forsta Kalmedic Global periode Januari–Februari 2022, Apotek Roxy Cabang Biak periode Maret 2022, dan Suku Dinas Kesehatan Kota Jakarta Selatan periode Mei–Juni 2022. Setelah menjalani praktik kerja profesi apoteker, diharapkan calon apoteker memahami tugas dan tanggung jawab apoteker dalam melakukan pekerjaan kefarmasian.

..... Pharmacists play an important role in pharmacy practice. Pharmacy practice is manufacture including quality control of pharmaceutical preparations, security, procurement, storage and distribution or distribution of drug, drug management, drug service based on doctor's prescriptions, drug information service, as well as drug development, medicinal ingredients, and traditional medicines in accordance with pharmaceutical standards. Through the professional practice of pharmacists, prospective pharmacists can confirm conformity between knowledge that has been obtained and practice in the field in accordance with applicable standards and improve competence as a pharmacist. The professional practice of pharmacists is held at PT Forsta Kalmedic Global in January–February 2022, Roxy Biak Pharmacy in March 2022, and the South Jakarta City Department of Health in May–June 2022. After completing professional practice of pharmacists, prospective pharmacists are expected to understand pharmacist's duties and responsibilities in pharmacy practice.
