Abstrak

Profesi apoteker memiliki tanggung jawab menyeluruh dalam praktik kefarmasian. Sebelum terjun langsung, calon apoteker memerlukan persiapan sebelum menghadapi dunia kerja profesional. Praktik Kerja Profesi Apoteker merupakan salah satu upaya agar dapat memberikan gambaran mengenai dunia kerja profesional untuk calon apoteker. Pelaksanaan Praktik Kerja Profesi Apoteker penting sebagai bekal pengetahuan dan keterampilan mengenai peran dan tanggung jawab apoteker bagi calon apoteker. Praktik Kerja Profesi Apoteker dilaksanakan di Apotek Roxy periode bulan Februari 2022, PT. Hexpharm Jaya Laboratories periode bulan Maret – April 2022, dan Puskesmas Kecamatan Jagakarsa periode bulan Mei – Juni 2022. Harapannya agar calon apoteker mendapatkan wawasan dan pengalaman untuk terjun dalam praktik kefarmasian.

.....Pharmacist has overall responsibilities in the practice of pharmacy. Before going directly, prospective pharmacists need preparation before facing the professional world of work. The Professional Practice of Pharmacist is one of the efforts to provide an overview of the professional world of work for prospective pharmacists. The implementation of the Professional Practice of Pharmacist is important as a provision of knowledge and skills regarding the roles and responsibilities of pharmacists for prospective pharmacists. The Professional Practice of Pharmacist is held at the Roxy Pharmacy for the period of February 2022, PT. Hexpharm Jaya Laboratories for the period March – April 2022, and the Jagakarsa District Health Center for the period May – June 2022. It is hoped that prospective pharmacists will gain insight and experience to engage in pharmaceutical practice.
