Abstrak

Recep Tayyip Erdogan merupakan Presiden Turki yang memiliki pengaruh dalam ranah politik internasional. Kebijakan luar negerinya kerap menimbulkan reaksi bagi negara maupun kelompok-kelompok tertentu. Penelitian ini akan membahas sikap politik Recep Tayyip Erdogan, khususnya kebijakan luar negerinya. Selain itu, penelitian ini juga membahas pengaruh kebijakan luar negeri Erdogan terhadap hubungan Indonesia-Turki dan organisasi masyarakat (ormas) berbasis Islam di Indonesia. Penelitian ini dilakukan dengan metode mixed method (kualitatif-kuantitatif) dalam menganalisis data-data primer dan sekunder. Data diperoleh dari sumber literatur, data digital dari media massa dan media sosial, dan wawancara. Selain itu, data juga diperoleh dengan teknik survei. Kuesioner akan disebar kepada responden yang merepresentasikan ormas Islam (NU, Muhammadiyah, dan Jamaah Tarbiyah). Berdasarkan analisis tersebut, akan diketahui (1) kebijakan luar negeri Erdogan, (2) pengaruh kebijakan luar negeri Erdogan terhadap hubungan diplomatik Indonesia-Turki, dan (3) pengaruh kebijakan luar negeri Erdogan terhadap ormas Islam di Indonesia.

.....Recep Tayyip Erdogan is the President of Turkey who has influence in the realm of international politics. His foreign policies often cause reactions to certain countries and groups. This study discuss Recep Tayyip Erdogan's political stance, particularly his foreign policy. In addition, this study also discuss the influence of Erdoan's foreign policy on Indonesia-Turkey relations and Islamic-based community organizations (ormas) in Indonesia. This research was conducted using a mixed method (qualitative-quantitative) in analyzing primary and secondary data. Data is obtained from literature sources, digital data from mass media and social media, and interviews. In addition, data will also be obtained by survey techniques. Questionnaires will be distributed to respondents who represent Islamic organizations (NU, Muhammadiyah, and Jamaah Tarbiyah). Based on this analysis, it is known (1) Erdogan's foreign policy, (2) the influence of Erdogan's foreign policy on Indonesia-Turkey diplomatic relations, and (3) the influence of Erdogan's foreign policy on Islamic organizations in Indonesia.
