Abstrak

The papers published in this proceedings volume are written by a selection of authors, resulting from a call for papers for the 1st International Conference on Law and Governance in a Global Context (ICLAVE) originating from Indonesia and other countries. This proceedings volume shall be a very valuable contribution to understand contemporary law issues in Indonesia which are not always taught in law schools. These proceedings will not only serve as a useful reference for law students and academicians, but also help law practitioners to understand law issues that may be encountered in Indonesia. It covers selected items such as Administrative Law, Constitutional Law, Business Law, Intellectual Property Law, Criminal Law, Human Rights Law, Adat Law, Shariah Law, Judiciary Law and International Law, which are all important for undergraduate and post-graduate law students, as well as academicians and law practitioners in the law community.
