

Karya sastra jepang dalam "zeitgeist" sejarah

I Ketut Surajaya, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=68893&lokasi=lokal>

Abstrak

This article explores the relationship between literature and the history of Japanese society. The study shows that many literary works reflect the dynamics of culture, economics, ideology, and thoughts in Japanese Society. Based on that, the writer believes that these literary works are useful to understand the spirit of age (Zeitgeist) in Japanese history. The writer also deals with the issues of globalism which play an important part in Japanese literary discourse, particularly in multiculturalism theme.
