Abstrak

Laporan magang ini berisi tentang evaluasi proses analisis fasilitas perpajakan Kawasan Ekonomi Khusus untuk PT ABC dan analisis refleksi diri selama menjalankan kegiatan magang. PT ABC merupakan perusahaan yang bergerak di bidang industri petrokimia. Laporan ini berfokus pada evaluasi analisis terhadap fasilitas dan kemudahan perpajakan yang didapatkan PT ABC karena berdiri di Kawasan Ekonomi Khusus. Berdasarkan evaluasi yang dilakukan, analisis fasilitas perpajakan sudah tepat dan PT ABC dapat melanjutkan pengajuan dokumen sebagai instrumen pengusulan Kawasan Ekonomi Khusus.

.....This internship report contains an evaluation of Special Economic Zone Tax Facilities Analysis Process for PT ABC and a reflective analysis of my own experiences during the internship. PT ABC is a company engaged in the petrochemical industry. This report focuses on evaluating the analysis of the tax facilities and advantages obtained by PT ABC due to its establishment in the Special Economic Zone. Based on the evaluation conducted, the tax facility analysis is deemed appropriate, and PT ABC can proceed with submitting the necessary documents as a proposal for the Special Economic Zone.
