## Abstrak

Profesi apoteker memiliki peran yang penting pada pekerjaan kefarmasian, baik dalam bidang industri farmasi, rumah sakit, pelayanan, maupun pemerintahan. Untuk menjadi seorang apoteker yang profesional, calon apoteker wajib melakukan Praktik Kerja Profesi Apoteker. Hal ini bertujuan agar calon apoteker mendapatkan bekal dan pengalaman untuk memahami peran serta meningkatkan kompetensi sebelum terjun ke dunia kerja. Praktik Kerja Profesi Apoteker dilaksanakan di Apotek Roxy Beringin periode Januari 2022 dan Daewoong Pharmaceutical, Co., Ltd., periode April-Juli 2022. Melalui proses Praktik Kerja Profesi Apoteker di apotek dan industri farmasi, calon apoteker diharapkan mendapatkan gambaran, wawasan, pengetahuan, keterampilan, dan pengalaman terkait pekerjaan kefarmasian yang akan dilakukan oleh seorang apoteker saat di dunia kerja.

.....The pharmacist profession has an important role in pharmaceutical work, in the pharmaceutical industry, hospitals, services, and government. To become a professional pharmacist, pharmacist candidates are required to carry out Pharmacist Professional Work Practices. This is intended so that pharmacist candidates get the provision and experience to understand the role and improve competence before entering the world of work. Pharmacist Professional Work Practices are carried out at Roxy Beringin Pharmacy for the period of January 2022 and Daewoong Pharmaceutical, Co., Ltd., for the period of April-July 2022. Through the Pharmacist Professional Work Practice process in pharmacies and the pharmaceutical industry, pharmacist candidates are expected to get an overview, insight, knowledge, skills, and experience related to pharmaceutical work that a pharmacist will carry out while in the world of work.
