Abstrak

Peran dan fungsi Notaris dalam mekanisme pengesahan legalitas badan hukum perkumpulan diperlukan, karena legalitas suatu badan hukum perlu didaftarkan melalui akta notaris kemudian, didaftarkan ke Kementerian Hukum dan Hak Asasi Manusia namun, bukan hanya pendaftaran legalitas, namun peran notaris juga diperlukan dalam pembatalan akta tersebut, apabila terjadi konflik dalam pengesahan legalitas badan hukum perkumpulan tersebut. Hal tersebut terjadi pada perkumpulan FKPPi dan Generasi Muda FKPPi yang saat peleburannya mengalami konflik internal terkait pengesahan legalitas badan hukum perkumpulannya, yang dimana terjadinya konflik internal antara Generasi Muda FKPPi dengan FKPPi selaku organisasi induknya, dalam pendaftaran legalitas tersebut Generasi Muda FKPPi tidak memberitahukan bahwa mereka telah mendaftarkan legalitasnya kepada FKPPi selaku organisasi induk, hal ini lah yang memunculkan konflik dalam internal mereka terkait legalitas perkumpulan Generasi Muda FKPPi.

.....The role and function of a notary in the mechanism for ratifying the legality of an association legal entity is necessary, because the legality of a legal entity needs to be registered through a notarial deed, then it is registered with the Ministry of Law and Human Rights, but not only for registration of legality, but the role of a notary is also required in canceling the deed, if there is a conflict in the approval of the legality of the association legal entity. This happened to the FKPPi and Young Generation FKPPi associations which at the time of their smelting experienced an internal conflict regarding the legality of the legality of the association legal entity, in which an internal conflict occurred between the FKPPi Young Generation and FKPPi as the main organization, in registering legality the FKPPi Young Generation did not notify that they had registering its legality with FKPPi as the main organization, this is what gave rise to conflicts within them regarding the legality of the FKPPi Young Generation association.
