Abstrak

Tesis ini membahas pergeseran fokus bantuan Bank Dunia di Indonesia yang mulai condong ke arah pengembangan sistem keuangan pemerintah pasca krisis ekonomi pada tahun 1998. Penelitian ini merupakan penelitian kualitatif dengan menggunakan metode studi kepustakaan. Hasil penelitian ini menyimpulkan bahwa pergeseran fokus tersebut terjadi karena dorongan kepentingan rezim keuangan internasional dan perubahan paradigma ekonomi. Hasil temuan dari penelitian ini juga menjelaskan kepentingan-kepentingan yang mendasari ketertarikan Bank Dunia mengembangkan sistem keuangan pemerintah di Indonesia.

In 2014 the World Bank's involvement in Indonesia development process has reached its sixth decade. And during that period, there are some notable shifts in their orientation. A significant one which is the focus of this study was the one that happened after Indonesian economic crisis in 1998. Using a qualitative literature research method, this study has found that the World Bank focus on the development of public financial system, was a reaction from the new paradigm as well as a response to regime demand to monitor everchanging economy in large developing country such as Indonesia.
