Abstrak

Skripsi ini membahas tentang gambaran proses pasca pelayanan rehabilitasi sosial anak putus sekolah di PSBR Bambu Apus serta hambatan-hambatan yang dihadapi dalam proses tersebut. Penelitian ini menggunakan pendekatan penelitian kualitatif dengan metode penelitian deskriptif. Hasil penelitian ini menggambarkan proses pasca pelayanan rehabilitasi sosial anak putus sekolah di PSBR Bambu Apus yang dilakukan melalui penghentian pelayanan atau terminasi, pemulangan dan penyaluran, dan tindak lanjut. Adapun kendala proses pasca pelayanan rehabilitasi sosial ini meliputi keterbatasan sumber daya manusia (SDM), keterbatasan jangkauan tempat tinggal penerima manfaat, dan kendala kontak penerima manfaat setelah meninggalkan PSBR Bambu Apus untuk pelayanan tindak lanjut.

.....This thesis discusses about the process of post social rehabilitation services school dropouts in the PSBR Bambu Apus and the constraints that encountered in the process. This research uses a qualitative approach and descriptive research method. The results illustrate the implementation about the process of post social rehabilitation services school dropouts in PSBR Bambu Apus through termination, discharge and distribution, and follow-up. Then the constraints in the implementation of the process of post social rehabilitation services include lack of human resources, the distance of beneficiaries residence, and lack of communication with the beneficiaries after leaving the PSBR Bambu Apus for follow-up services.
