Abstrak

Tesis ini membahas mengenai sejauh mana peran Pemegang Saham dalam hal ini Kementerian BUMN dalam pelaksanaan prinsip-prinsip Good Corporate Governance pada BUMN sektor asuransi yang mendorong peningkatan nilai perusahaan dan menciptakan kondisi yang memacu organ perusahaan lainnya yaitu Dewan Komisaris dan Direksi untuk lebih meningkatkan perannya dalam implementasi prinsip-prinsip Good Corporate Governance. Perlu peningkatan peran Pemegang Saham melalui upaya penetapan keputusan dan kebijakan yang konsisten dengan peraturan perundang-undangan yang berlaku terkait BUMN. Manfaat yang diharapkan dari penerapan Good Corporate Governance adalah terciptanya iklim kerja yang kondusif karena adanya kesadaran dan pemahaman mengenai fungsi dan peran, wewenang serta tanggung jawab dari masing-masing organ perusahaan. Hasil penerapan prinsip-prinsip Good Corporate Governance tercermin dengan meningkatnya nilai dan kinerja BUMN.

.....This thesis discusses the extent to which the role of shareholders in this case the Ministry of SOEs in the implementation of the principles of good corporate governance in state-owned insurance sector is driving increased value of the company and create the conditions that spur other companies organs to further enhance its role in implementation of the principles of Good Corporate Governance. Shareholders need to increase the role of decision-making through the efforts and policies that are consistent with the legislation in force related to SOE. The benefits expected from the implementation of good corporate governance is the creation of conducive working environment because of lack of awareness and understanding of the functions and roles, powers and responsibilities of each organ of the company. The results of the application of the principles of good corporate governance is reflected in the increased value and performance of SOEs.
