To succeed as leaders of a diverse, multigenerational workforce, nurse managers and executives need to have both traditional management skills and a contemporary, creative mindset. *Management and Leadership for Nurse Administrators, Ninth Edition* provides a comprehensive overview of key management and administrative concepts critical to leading modern healthcare organizations and ensuring patient safety and quality care. With this text, students will be prepared to lead a workplace that is rapidly evolving due to technology, culture, and changes in the U.S. healthcare system. The Ninth Edition features a new Introduction with a review of the current trends and patterns in nursing leadership, along with expanded discussions of translational science focused on implementation and dissemination, workforce well-being, resiliency, work-life balance, healthy work environments, and more timely topics
