Abstrak

Penelitian ini dilatarbelakangi maraknya kejahatan TPPO di seluruh dunia khususnya Indonesia. Korban TPPO memiliki karakteristik tertentu, dengan mayoritas adalah perempuan dewasa. Kejahatan ini diidentifikasi sebagai kejahatan terorganisir dan transnasional, memerlukan perhatian khusus terutama pada kerentanan potensial korban. Pemerintah Indonesia memiliki kerangka hukum yang mencakup perlindungan korban TPPO, tetapi implementasinya dinilai belum efektif. Oleh karena itu, dalam penelitian ini ditujukan untuk Menganalisis pelayanan yang diberikan oleh Sat Reskrim Polres Cianjur dalam penanganan dan pemberian dukungan kepada korban TPPO, menganalisis faktor-faktor yang mempengaruhi pelayanan yang diberikan oleh Sat Reskrim Polres Cianjur dalam penanganan dan pemberian dukungan kepadakorban TPPO, dan merumuskan strategi keberlanjutan dalam pemberian dukungan bagi korban TPPO yang dilakukan oleh Sat Reskrim Polres Cianjur.

Metode yang digunakan dalam penelitian ini adalah metode penelitian kualitatif dengan tipe penelitian eksploratif. Hasil penelitian ini menunjukkan bahwa pelayanan yang diberikan oleh SatReskrim Polres Cianjur dalam penanganan dan pemberian dukungan kepada korbanTPPO dilakukan dengan membentuk Satgas TPPO Polres Cianjur yang dilakukan oleh perwakilan 2 orang dari masing-masing Unit yang ada di Sat Reskrim Polres Cianjur, yang mana pelaksanaan tugas ini berada dalam lingkup Sub Gugus Tugas Penegakan Hukum, yang terwujud dalam bentuk kegiatan penyidikan dan perlindungan terhadap saksi dan korban TPPO. Faktor-faktor yang mempengaruhi pelayanan mencakup aspek internal seperti ketersediaan sumber daya dan koordinasi internal tim, serta aspek eksternal seperti perencanaan kerja sama antar lembaga, jenis kemitraan, kepemimpinan, struktur kerja sama, dan dinamika kemitraan. Strategi keberlanjutan dalam memberikan dukungan kepada korban TPPO dilakukan melalui pendekatan holistik, yang tidak hanya menangani kasus secara hukum tetapi juga memperhatikan kebutuhan perlindungan terhadap korban.

.....This research is motivated by the rise of Human Trafficking In crimes throughout the world, especially in Indonesia. The victims of Human Trafficking have certain characteristics and the majority are adult women. These crimes are identified as organized and transnational crimes, which is requiring specific attention especially to the potential vulnerabilities of victims. The Indonesian government has a legal framework that includes protection for the victims of Human Trafficking, but its implementation is considered ineffective. Therefore, this research is aimed to analyze the services provided by Criminal Investigation Department Of Cianjur Police Resort in handling and providing support for the victims of Human Trafficking, analyzing the factors that influence the services provided by the Criminal Investigation Department Of Cianjur Police Resort in handling and providing support for the victims of Human

Trafficking, and formulating a sustainability strategy in providing support for the victims of Human Trafficking which is carried out by the Criminal Investigation Department Of Cianjur Police Resort.

The method used in this research was a qualitative research method with an exploratory research type. The results of this research showed that the services provided by the Criminal Investigation Department Of Cianjur Police Resort in handling and providing support to the victims of Human Trafficking were carried out by forming the Cianjur Police Human Trafficking Task Force which was carried out by 2 representatives from each unit in the Criminal Investigation Department of Cianjur Police Resort, where the implementation of this task is within the scope of the Law Enforcement Sub-Task Force and it is realized in the form of investigation and protection activities for witnesses and victims of Human Trafficking. Factors which are affecting services include internal aspects such as resource availability and internal team coordination, as well as external aspects such as inter-institutional collaboration planning, type of partnership, leadership, collaboration structure, and partnership dynamics. The sustainability strategy in providing support for the victims of Human Trafficking is carried out through a holistic approach, which is handling cases legally as well as considering the protection needs of victims.
