Abstrak

Laporan tugas khusus ini merekap kegiatan Praktik Kerja Profesi Apoteker yang penulis lakukan di Apotek Roxy Poltangan. Karya ini dibuat dengan tujuan untuk menambah wawasan penulis mengenai kegiatan pengkajian resep dan pelayanan konseling yang merupakan tanggung jawab dari seorang apoteker di apotek. Kegiatan pembelajaran dan praktik kerja dilakukan dengan observasi, pelaksanaan kegiatan dengan pengawasan, dan pelaksanaan kegiatan mandiri. Penulis berkesempatan untuk mengkaji dan melayani resep harian serta melakukan pencarian resep tertentu dan kemudian memberikan pelayanan konseling untuk pasien Apotek Roxy Poltangan yang bersangkutan.

.....

This special assignment report summarizes the Pharmacist Professional Internship Program that the author carried out at Apotek Roxy Poltangan. This work was created with the objective of broadening author's insight regarding prescription review and counseling services, which are the responsibilities of a pharmacist in a pharmacy. The internship program was accomplished through observation, implementation of activities with supervision, and independent or direct activities of pharmaceutical services. The author had the opportunity to review and serve daily prescriptions as well as compiling certain prescriptions and then providing counseling services for the corresponding Apotek Roxy Poltangan patients.
