

Kantor Pos Saharjo = Saharjo Post Office

Mohamad Irvansyah, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=9999920545319&lokasi=lokal>

Abstrak

Kawasan 'Simpul Manggarai' yang berkonsep Transit Oriented Development mengintegrasikan area komersial dan residensial, mendukung usaha skala mikro dan makro. Transportasi logistik di Distrik 2 (Taman Kota Minangkabau) krusial sebagai hub bisnis dan residensial. Serta terjadi perubahan tren menuju digitalisasi data menggantikan sistem analog. 'Kantor Pos Saharjo' dirancang sebagai solusi holistik untuk mengakomodasi tren tersebut, memenuhi kebutuhan akan konektivitas logistik dan transformasi digital.

.....

The 'Simpul Manggarai' area, designed as a Transit Oriented Development, integrates commercial and residential zones, supporting both micro and macro-scale enterprises. Logistic transportation in District 2 (Taman Kota Minangkabau) plays a crucial role as a business and residential hub. There is also a shift towards digitalization of data, replacing analog systems. 'Saharjo Post Office' is conceived as a holistic solution to accommodate these trends, fulfilling the need for logistic connectivity and digital transformation.
