

Think And Grow Rich

Hill, Napoleon, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=9999920548587&lokasi=lokal>

Abstrak

Think and Grow Rich is the fundamental work of the author of the legendary successful book, Napoleon Hill, a contemporaries of Dale Carnegie. The book, which was first published in 1937, now remains as powerful as it was three decades ago and will change your life forever. In this revised version, Arthur R. Pell, Ph.D., an expert on the application of Hill's philosophy, inserts various anecdotes about the way in which contemporary millionaires and billionaires, such as Bill Gates, Mary Kay Ash, Dave Thomas, and Sir John Templeton, achieved their wealthall providing examples of the application of one of Hill's key concepts. Many of the success tips you read in various other bestsellers come from this book. Prove it for yourself!
