

Health Clubs: Architecture & Design

Fogarty, Kate Henster, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=9999920551257&lokasi=lokal>

Abstrak

Profiles nearly 50 interiors by four architects and designers, documenting the professionally designed gyms, and especially how they have changed to reflect the bourgeoisification of the clientele. The large color photographs, almost entirely devoid of people, are accompanied by drawings and floor plans. Annotation c. Book News, Inc., Portland, OR (booknews.com)
